Individually Crafted Cakes for Special Occasions

With pride and confidence we offer a complete range of birthday, christening and other special occasion cakes, both traditional and modern.

We use only the finest ingredients, combined with over 100 years of baking experience to make each of our special occasion cakes to order. They are then skilfully hand decorated by our craft bakers.

Order Details

Simply make your selection from this cake brochure and then speak to a member of our team, who will complete a cake order form with you.

A **50% deposit** must be paid at the time of order, with the balance due on collection of your cake.

If you would like to collect your cake from a different shop, **the cake must be paid for in full when you place the order.**

Collection Details

Because each cake is made to order and given individual attention, we require a minimum of 4 days notice for sponge cakes and 1 week for fruit cakes.

Cakes will be supplied in a sturdy, box with pull down sides to enable the cakes to be easily removed. Cakes should be stored in a cool dry place, but NOT refrigerated. Do not store in direct sunlight.

To ensure the cake is at its best when eaten, sponge cakes should be used within 5 days of your collection date. Fruit cake may be kept (uncut) for up to six months if stored carefully, ideally in an airtight container, away from heat and moisture.

Credit/ Debit card orders (Mastercard/Maestro/Solo/Visa/Visa Electron):
